**Credit Policy & Financial Agreement**

Each patient, not the insurance company, is responsible for payment for all charges to his/her account at the time services are rendered unless special arrangements are made in advance.

I authorize insurance benefits to be paid directly to Kristin Tarbet, MD/Mike Symond, MD/Gay Sleight, PA-C. I also authorize the physician to release any information acquired in the course of my evaluation or treatment to the insurance company.

Payments on accounts billed are expected within 30 days.

Delinquent accounts will be charged interest at 1½% per month. I agree to pay collection costs and/or reasonable attorney's fee if any delinquent balance is placed with an agency or attorney for collection or suit.

I/We agree to pay all attorney's fees, court costs, filing fee (including charges of commissions), that may be assessed by any collection agency retained to pursue this matter. I/We further understand that this may be as much as 50% of the principal owing. I/We further agree to pay interest at the rate of 1 ½% per month (18% per year).

**ATTENTION: IMPORTANT INSURANCE INFORMATION**

Since it is vital that our patients understand our relationship with insurance companies this statement is necessarily straightforward to prevent any possible misunderstandings, disagreements or disappointments.

If you believe that your medical needs are covered by insurance, please be aware that the health insurance contract you have is between you and your insurance company, not Amara and your company. We work with your insurance company on all claims, however the insurance company does have a final say as to what is and is not covered. In the event that your insurance company refuses payment for services rendered, you will be responsible for payment in full.

**LAB INSURANCE MAY NOT COVER ALL FEES**

If you have insurance, all labs costs are submitted to your insurance company by the Laboratory, not by Amara. We can't guarantee the payment to the lab company by your insurance, as the contract you have is between you and your insurance company.
